

## Department of Dermatology

# Grand Rounds

## Treatment Options for Mycosis Fungoides

**Lauren C. Pinter-Brown, MD, FACP**

Health Sciences Professor of Medicine  
Chao Family Comprehensive Cancer Center  
UC Irvine Health School of Medicine

**Moderator: Janelle Smith, MD**

Professor, Department of Dermatology  
UC Irvine Health School of Medicine

**Wednesday, March 23, 2016**

**Dermatology Clinic at Gottschalk Medical Plaza**

1 Medical Plaza Dr., Irvine, CA (Second Floor)  
8 to 8:45 a.m.—Patient Viewing

**Weinstein Library**

125 Med Surge I  
8:45 to 10 a.m.—Patient Discussion  
10:15 to 11:15 a.m.—Lecture

Activities approved for 3 *AMA PRA Category 1 Credits™*.

*Special thanks to Novartis for exhibiting at this session.*

**Target Audience:** The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

**Statement of Purpose:** The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

**Accreditation statement:** The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Dermatologic Grand Rounds Global Objectives**

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

**Designation statement:** The UC Irvine School of Medicine designates this live activity for a maximum of 3 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure: Lecturer/Moderator:** Lauren Pinter-Brown, MD, has disclosed that she has been a consultant for Spectrum, which could be perceived as a potential conflict of interest in her presentation. Lauren Pinter-Brown, MD has disclosed that based on her potential conflict of interest, she will support her presentation and clinical recommendation with the best available evidence in the medical literature. Janelle Smith, MD has disclosed that she is an

Nationally recognized lymphoma expert **Lauren Pinter-Brown, MD**, has joined UC Irvine Health as a clinical professor of medicine in the Division of Hematology/Oncology, Department of Medicine, University of California, Irvine School of Medicine.

Pinter-Brown comes to UC Irvine Health from the UCLA Ronald Reagan Medical Center and David Geffen School of Medicine where she headed UCLA's lymphoma program.

Pinter-Brown has a longstanding clinical interest in malignant lymphoma with a particular focus on T-cell and skin (cutaneous) lymphomas. She is a prolific clinical investigator and has made important contributions to several clinical trials that led to approval of new drugs for the treatment of T-cell lymphoma, including pralatrexate and romedepsin.

Pinter-Brown earned her medical degree from UCLA School of Medicine, completed her internship and residency in internal medicine at Harbor-UCLA Medical Center, and completed a fellowship in hematology and oncology at the University of Southern California.

She remained on the USC hematology faculty until 1990, when she joined UCLA, first at Olive View-UCLA Medical Center and later at the UCLA Medical Center in Westwood, where she directed the Lymphoma Program in the Division of Hematology-Oncology.

honorarium recipient for Solta, Zeltiq and Sciton; a member of the scientific advisory board for Zeltiq and Sciton; and a board member for Arbonne, which could be perceived as a potential conflict of interest in her presentation. Janelle Smith, MD has disclosed that based on her potential conflict of interest, she will support her presentation and clinical recommendation with the best available evidence in the medical literature and will refrain from making recommendations regarding products or services.

**Course Director/Planners:** Christopher Zachary, FRCP has disclosed that, as course director, he is an educational grant recipient from Solta, is an honorarium recipient for Solta/Alma, is a member of the scientific advisory board for Zeltiq and receives an equipment loan from Cynosure. Christopher Zachary, FRCP has disclosed that based on his potential conflict of interest, to the best of his ability, he will ensure that any speakers or content he suggests are free from commercial bias. Hege Grande Sarpa, MD has disclosed that, as a course planner, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest. Janelle Smith, MD has disclosed that, as course planner, she is an honorarium recipient for Solta, Zeltiq and Sciton; a member of the scientific advisory board for Zeltiq and Sciton; and a board member for Arbonne. Janelle Smith, MD has disclosed that based on her potential conflict of interest, to the best of her ability, she will ensure that any speakers or content she suggests are free from commercial bias. Dr. Smith further discloses that she will excuse herself from planning activity content in which she has a conflict of interest. Judy Hobert has also disclosed that, as an administrative staff, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest.

**ADA Statement:** In compliance with the Americans with Disabilities Act, contact us three days in advance about special needs for any attendee. Contact Judy Hobert at [jhobert@uci.edu](mailto:jhobert@uci.edu) or 949-824-4405.
