

## Department of Dermatology

# Grand Rounds

## Optimizing the management of vitiligo patients

### Iltefat H. Hamzavi, MD

Senior Staff Physician, Multicultural Dermatology Center  
Department of Dermatology  
Henry Ford Hospital

**Dr. Iltefat Hamzavi** is a senior staff physician at Henry Ford Hospital and vice president at Hamzavi Dermatology. He has a research focus on multicultural dermatology and photobiology.

He is an active clinical investigator in vitiligo and co chair of the Vitiligo Working Group which aims to connect researchers, physicians and patient advocates together. He had helped contribute to the development of phototherapy protocols for vitiligo, along with surgical and systemic treatments for this condition.

In addition Dr. Hamzavi is active in follicular disorder research, with a focus on Hidradenitis Suppurativa. He runs the follicular disorders unit at Henry Ford Hospital Dept of Dermatology and is the current president of the HS Foundation.

### Moderator: Janellen Smith, MD

Professor, Department of Dermatology  
UC Irvine Health School of Medicine

### Dowling Club

Weinstein Library  
125 Med Surge I  
5:30 to 7 p.m.

*Special thanks to Amgen and Celgene for exhibiting at this session.*

**Target Audience:** The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

**Statement of Purpose:** The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

**Accreditation statement:** The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

**Designation statement:** The UC Irvine School of Medicine designates this live activity for a maximum of 3 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure: Lecturer/Moderator:** Iltefat Hamzavi, MD, has disclosed that he is an investigator and receives grant/research support from Clinuvel, Ferndale Labs, Allergan and Johnson & Johnson, which could be perceived as a potential conflict of interest in his presentation. Iltefat Hamzavi, MD has disclosed that based on his potential conflict of interest, he will support his presentation and clinical recommendations with the best available evidence in the medical literature and

will refrain from making recommendations regarding products or services. Janellen Smith, MD has disclosed that she is an honorarium recipient for Solta, Zeltiq and Sciton; a member of the scientific advisory board for Zeltiq and Sciton; and a board member for Arbonne, which could be perceived as a potential conflict of interest in her presentation. Janellen Smith, MD has disclosed that based on her potential conflict of interest, she will support her presentation and clinical recommendations with the best available evidence in the medical literature and will refrain from making recommendations regarding products or services.

**Course Director/Planners:** Christopher Zachary, FRCP has disclosed that, as course director, he is an educational grant recipient from Solta, is an honorarium recipient for Solta/Alma, is a member of the scientific advisory board for Zeltiq and receives an equipment loan from Cynosure. Christopher Zachary, FRCP has disclosed that based on his potential conflict of interest, to the best of his ability, he will ensure that any speakers or content he suggests are free from commercial bias. Hege Grande Sarpa, MD has disclosed that, as a course planner, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest. Janellen Smith, MD has disclosed that, as course planner, she is an honorarium recipient for Solta, Zeltiq and Sciton; a member of the scientific advisory board for Zeltiq and Sciton; and a board member for Arbonne. Janellen Smith, MD has disclosed that based on her potential conflict of interest, to the best of her ability, she will ensure that any speakers or content she suggests are free from commercial bias. Dr. Smith further discloses that she will excuse herself from planning activity content in which she has a conflict of interest. Judy Hobert has also disclosed that, as an administrative staff, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest.

**ADA Statement:** In compliance with the Americans with Disabilities Act, contact us three days in advance about special needs for any attendee. Contact Judy Hobert at [jhobert@uci.edu](mailto:jhobert@uci.edu) or 949-824-4405.
