Jill Waibel, MD, practices as a board certified dermatologist specializing in general dermatology, cutaneous laser surgery and cosmetic dermatology for adults and children. She is in private practice in Miami, Florida and Coral Gables, Florida. She is currently the medical director and owner of the Miami Dermatology and Laser Institute in Miami. Dr. Waibel is the subsection chief of Dermatology at Baptist Hospital. In addition Dr. Waibel serves as a Clinical Voluntary Assistant Professor at the University of Miami.

She is a world-recognized leader in dermatologic laser surgery and lectures all over the world to train other physicians. In her practice she has over 40 laser devices and treats a wide variety of cutaneous disease. Dr. Waibel is active in basic science clinical trials at the University of Miami and has a clinical trials division Miami Dermatology and Research.

One of Dr. Waibel's primary passions is the treatment of scars by applying today's latest cutaneous laser technologies. She has successfully developed industry-leading procedures and techniques with lasers, received numerous awards for her contributions to medicine, and published numerous peer-reviewed journal articles and several textbook chapters.

Target Audience: The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

Statement of Purpose: The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

Accreditation statement: The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

Designation statement: The UC Irvine School of Medicine designates this live activity for a maximum of 3 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
