**Robert Micheletti, MD**, is an Assistant Professor of Dermatology and Medicine at the University of Pennsylvania. He received his MD at Duke University School of Medicine, and completed his residency in dermatology at the Hospital of the University of Pennsylvania.

He is the director of the Cutaneous Vasculitis Clinic in the Penn Vasculitis Center and co-director of the Dermatology Inpatient Consult Service.

He has active research interests in vasculitis and severe adverse drug reactions.

**Target Audience:** The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

**Statement of Purpose:** The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

**Accreditation statement:** The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

**Designation statement:** The UC Irvine School of Medicine designates this live activity for a maximum of 3 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
