Dermatology's Future in an Era of Healthcare Reform

- Interpret the forces at play in healthcare reform implementation, and comprehend forces that are likely to create momentum for additional changes in healthcare beyond the Affordable Care Act
- Identify potential opportunities and threats for dermatology and patient care in an era of change
- Begin to prepare for changes dermatology will need to undergo to adapt to an evolving healthcare system

Jack Resneck, Jr, MD

5 to 7 p.m.

Moderator: Hege Grande Sarpa, MD

Assistant Professor, Department of Dermatology
UC Irvine Health School of Medicine

Special thanks to AbbVie for exhibiting at this session.

Target Audience: The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

Statement of Purpose: The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

Accreditation statement: The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

Designation statement: The University of California, Irvine School of Medicine designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim *only* the credit commensurate with the extent of their participation in the activity.

Disclosure: Lecturer/Moderator: Jack Resneck, Jr, MD, and Hege Grande Sarpa, MD, have disclosed that they have no relevant financial relationships to

Dr. Jack Resneck, Vice Chair of Dermatology at UCSF, serves as the Director of the Dermatology Faculty Practice Clinics and as the Director of the Dermatology Residency Training Program, and holds a joint appointment as core faculty at the Philip R. Lee Institute for Health Policy Studies. His clinical research has been focused on the dermatologic problems of patients in east Africa, and his health policy research examines the future of the dermatology workforce, access to outpatient specialty care, health care reform implementation, the future of academic medicine, the impact of physician extenders, and the medical liability system. He has served as the President of the California Society for Dermatology, and as Chair of the Council of Legislation of the American Medical Association. He currently serves on the Board of Directors of the American Academy of Dermatology, where he led the Council on Government Affairs, Health Policy, and Practice for 4 years, and serves on the Editorial Board of the Journal of the American Academy of Dermatology. Dr. Resneck received his B.A. in public policy from Brown University and his M.D. from the University of California, San Francisco. His internship in internal medicine, residency in dermatology, and health policy fellowship were also at UCSF.

disclose. Jack Resneck, Jr, MD, and Hege Grande Sarpa, MD, further state they will not be discussing any unapproved/unlabeled use of drugs or devices in their presentation.

Course Director/Planners: Hege Grande Sarpa, MD, Janellen Smith, MD, and Christopher B. Zachary, FRCP, have disclosed that, as course directors and planners they have no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest. Kristen Kelly, MD, has disclosed that, as a course planner, she receives research grant support from Graceway Pharmaceuticals and Candela Corporation, and that she provides research support for Light Sciences Oncology and Nitto Denko, which could be perceived as a potential conflict of interest in the planning of this course. Kristen Kelly, MD, has disclosed that based on her potential conflict of interest, to the best of her ability, she will ensure that any speakers or content she suggests are free from commercial bias. She will also excuse herself from planning activity content in which she has a conflict of interest. Judy Hobert has also disclosed that, as an administrative staff, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest.

ADA Statement: In compliance with the Americans with Disabilities Act, contact us three days in advance about special needs for any attendee. Contact Judy Hobert at jhobert@uci.edu or 949-824-4405. This activity is in compliance with **California Assembly Bill 1195** which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME web site at www.cme.uci.edu.
