**Lynn A. Drake, MD** is Lecturer at Harvard Medical School, on the Dermatology Faculty at Massachusetts General Hospital (MGH) and is Director of Government & Policy; and Business Development for the Wellman Center of Photomedicine at MGH in Boston, MA. She has degrees in Medicine (MD), Mathematics (MA, BA), and Chemistry (BA). She is board certified in Dermatology and Dermatopathology. Dr. Drake is a graduate of the Advanced Management Program (AMP) at Harvard Business School and devoted her sabbatical year to the study of medicine and business. Dr. Drake is Past President of the American Academy of Dermatology and the Women's Dermatology Society; served on the National Advisory Board for NIAMS at the NIH, the Board of Directors of the American Society of Dermatologic Surgery, and as a Robert Wood Johnson Health Policy Fellow and Congressional Fellow in Washington, DC. She received a Presidential Appointment as a U.S. Delegate to the World Health Organization and was on the National Policy Forum Council for Health Care Reform.

**Target Audience:** The target audience for the Department of Dermatology Grand Rounds is attending physicians, fellows, community physicians and other health care professionals.

**Statement of Purpose:** The format will include lectures detailing diagnosis, management and therapeutic interventions for selected dermatologic topics, and occasional case presentations with review of interesting cases. Clinical test results and radiographic findings will also be included. Current landmark research findings will be discussed.

**Accreditation statement:** The UC Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### Dermatologic Grand Rounds Global Objectives

- Summarize core competencies in Dermatology as identified by the Accreditation Council for Graduate Medical Education.
- Assessment and management of complex skin diseases including but not limited to cancer.
- Cite current research findings in the field of dermatology and dermatopathology.
- Discuss key issues in the delivery of dermatologic care to a wide range of therapeutic modalities and combination therapy to increase efficacy and minimize side effect profiles.

**Designation statement:** The UC Irvine School of Medicine designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure: Lecturer/Moderator:** Lynn Drake, MD, has disclosed that she has no relevant financial relationships to disclose. Janellen Smith, MD has disclosed that she receives honoraria from Solta/Zeltiq and is a member of the scientific advisory board for Zeltiq. Janellen Smith, MD has disclosed that based on her

potential conflict of interest, she will support her presentation and clinical recommendation with the best available evidence in the medical literature and will refrain from making recommendations regarding products or services.

**Course Director/Planners:** Hege Grande Sarpa, MD has disclosed that, as course director, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest. Christopher Zachary, FRCP has disclosed that, as course director, he is an educational grant recipient from Solta, receives honoraria from Solta/Alma, is a member of the scientific advisory board for Zeltiq and receives an equipment loan from Cynosure. Christopher Zachary, FRCP has disclosed that based on his potential conflict of interest, to the best of her ability, he will ensure that any speakers or content he suggests are free from commercial bias. Janellen Smith, MD has disclosed that, as course planner, she receives honoraria from Solta/Zeltiq and is a member of the scientific advisory board for Zeltiq. Janellen Smith, MD has disclosed that based on her potential conflict of interest, to the best of her ability, she will ensure that any speakers or content she suggests are free from commercial bias. Dr. Smith further discloses that she will excuse herself from planning activity content in which she has a conflict of interest. Judy Hobert has also disclosed that, as an administrative staff, she has no affiliations, arrangements or financial agreements, which could be perceived as a potential conflict of interest.

**ADA Statement:** In compliance with the Americans with Disabilities Act, contact us three days in advance about special needs for any attendee. Contact Judy Hobert at [jhobert@uci.edu](mailto:jhobert@uci.edu) or 949-824-4405. This activity is in compliance with **California Assembly Bill 1195** which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME web site at [www.cme.uci.edu](http://www.cme.uci.edu).
