Triggers, Treatments & You

A **free** event to teach you why your psoriatic disease flares, what to do about it, and how to tailor your treatment plan for best results.

You'll also have the opportunity to ask our expert questions about psoriasis and psoriatic arthritis, see exhibits and meet others coping with psoriatic disease.

Register at www.psoriasis.org/mtsd/irvine or call 800-723-9166, ext. 362.
